JANUARY

10

6pm - 8:30pm

[REGISTER NOW](#)

PROGRAMME

5:30 – 6:00 Registration

6:00 – 7:00 The sharing of preoccupations and experiences

7:00 – 7:30 Working refreshments and identification of major themes

7:30 – 8:30 Analysis and hypothesis formation

8:30 End

Listening Posts are reflective spaces in which to take a 'snapshot' of society at a particular moment. They explore the idea that a small group, when studying the behaviour of the wider social system that is society, will unconsciously express some of its characteristics and that these are discernible from the themes and patterns emerging from the discussion.
